BEST BUY EDUCATION

100e Chromebook

engineered for education.

Lenovo

Introducing 100e Chromebook, the ultimate everyday learning tool.

Looking to upgrade the classroom experience without busting your budget? Meet the 100e Chromebook! A powerful, portable PC that brings Google Classroom, G Suite for Education, and today's most popular education apps to the fingertips of students and educators. The 100e is simple to use – with just a Google ID students can get to work in a matter of seconds. With Chrome Education licenses, school administrators can control and customize how students use the 100e to fit specific security needs. Built strong to withstand classroom chaos, the 100e is a cost-efficient way to bring a little extra credit to everyday learning.

Durability Done Right

Classroom chaos is no match for the 100e. Its rubber bumpers are built to handle everyday bumps and drops up to 75cm. Plus, the keyboard not only features mechanically anchored keys but a water-resistant design. Pair all that durability with a reinforced 180-degree hinge that won't snap under pressure, and you've got a machine made to last longer than the class pet.

Classroom Compatible

The brains behind the 100e? A speedy Intel 2.4GHz Celeron processor, which gives students immediate access to popular education apps like Alma, Activity Learn, GeoGebra, and more. Pair that with G Suite for Education and students can now collaborate, share docs, and easily stay connected with teachers and classmates. Plus, all that information can be quickly accessed in the cloud anytime, anywhere. And thanks to Google Classroom, teachers can enjoy endless organizational options all year long. As you can see, the 100e definitely deserves all A's.

The Total Learning Tool

With a sleek design weighing in at a mere 2.7 lbs, the 100e packs up to 10-hours* of battery life, so students can go from first period to the final bell—all on one charge. Its sleek, compact design boasts a front-facing webcam, making it easier for students to capture photos, watch videos or collaborate on projects. Plus, its anti-glare display helps to reduce eye strain throughout the day. Just a few of the many ways the 100e makes it easy to love learning.

Lenovo Offerings & Services

Chrome Education license
Chrome Education license enables IT administrators to manage a few or a fleet of Chrome devices within a centralized, easy and intuitive software interface. Lenovo makes it easy to acquire as an OEM authorized reseller of Chrome Education license.

Warranty upgrades – onsite and next business day
Maximize PC uptime and productivity by providing convenient, fast, repair service at your organization.

Warranty extensions (1-3 years total duration)
This fixed-term, fixed-cost service helps accurately budget for Chromebook expenses, protects your valuable investment and lowers the cost of ownership over time.

Accidental damage protection
Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or screen damage.

G Suite for Education
Easy access to Google's G Suite family of apps keeps everything under one roof and free of software licensing fees. Simple cloud management and 24/7 support make Chromebooks easily scalable to any size classrooms, big or small.

Options / Accessories

USB-C to HDMI Adapter

Lenovo Laser Wireless Mouse

Lenovo Professional Wireless Keyboard

*Based on Google Chrome Power_LoadTest, a battery run down test. For more information about Google Chrome Power_LoadTest, visit www.chromium.org. Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.

300e Chromebook

powered for possibilities.

Introducing the 300e Chromebook, an interactive learning experience.

When it comes to versatility in the classroom, the 300e Chromebook passes the test. With Enhanced Touch Technology, the 300e allows students to use a standard No.2 pencil on the screen. A true hands-on learning device, the 300e bends into four different positions, making it perfect for lesson planning, note-taking, and engaging with all your favorite education apps. Plus, with Google Classroom and G Suite for Education, the 300e is optimized for classroom collaboration. All that flexibility combined with the simple set-up and security of Chrome Education software makes the 300e built to rule any school.

A Touch Above The Rest

Built with a 11.6" HD multi-touch display, the 300e allows students and teachers to turn a standard No.2 pencil into a modern, interactive tool that interacts with the Chrome UI. Plus, its 360º Yoga Hinge bends into four different modes, making the 300e perfect for drawing, playing games, taking tests, and many other touch-based applications designed for hands-on learning.

Durability Done Right

The 300e sports a sleek, non-slip texture, making it easy to hold onto. Designed for education, its tough enough to withstand drops up to 75cm. Plus, the keyboard not only features mechanically anchored keys, but a water-resistant design. Pair all that with the rugged, reinforced flexibility of a 360º Yoga hinge, and you've got a machine built to withstand even the most chaotic classrooms.

Classroom Compatible

Built for performance and productivity, the 300e is powered by a Quad-Core ARM processor which runs education apps like Alma, Activity Learn, GeoGebra, and more. The 300e is perfect for sharing across students. With Google ID students can securely log in and out of their personal interface and access assignments on the cloud from any device. Equipped with G Suite for Education and Google Classroom, the 300e makes collaboration and classroom control an easy A.

The Total Learning Tool

Lightweight (3 lbs) and designed to power through an entire school day, (holds up to 10-hours of battery life*) the 300e is an all-access pass to interactive education. In addition to the Enhanced Touch Technology which boasts 10-finger touch capabilities, the 300e has a Front-Facing Camera – perfect for capturing photos or collaborating on projects. Plus, it is built for performance and productivity as it comes equipped with ports for USB-C, USB 3.0, HDMI, etc. making it easy to share files and project presentations.

BEST BUY EDUCATION

500e Chromebook

a matchless learning machine.

Lenovo

Introducing the 500e Chromebook, a state-of-the-art learning tool.

Powerful, portable, and packed with premium features, the 500e brings the "class" to every classroom. In addition to its Gorilla-Glass HD touch screen, the 500e comes automatically paired with an EMR pen, which can be conveniently stored inside the system after note-taking and interacting with all your favorite education apps. It comes with a world-facing camera and the ability to bend into four different modes, making the 500e flexible when creating and sharing work via G Suite for Education and Google Classroom. Plus, Chrome Education makes administering and managing a fleet of Chromebooks simple and secure, it's easy to see why the 500e is the device many educators say has improved the speed and quality of class prep.

Paperless Potential

Every 500e device comes with a 11.6" HD multi-touch display and a responsive, pressure-sensitive EMR pen that can be conveniently stored in a built-in compartment. Plus this pen pal doesn't need charging or pairing so it's super easy to share. With a 360º Yoga Hinge, the 500e seamlessly bends into 4 different modes – perfect for extensive note taking, fine art, and detailed arithmetic.

Durability Done Right

The 500e graduates with high honors in durability. Its rubber bumpers help to withstand drops up to 75cm. Even the touch screen is damage resistant, built with chemically-strengthened Gorilla Glass. Plus, the keyboard not only features mechanically anchored keys but a water-resistant design. Pair all that with the rugged, reinforced flexibility of a 360º Yoga hinge and you've got a machine built to withstand even the most chaotic classrooms.

Classroom Compatible

With its Intel 2.2 GHz Celeron processor, the 500e is packed with power and unparalleled speed. It can run all your favorite education apps like Alma, Activity Learn, GeoGebra, and more. The 500e comes equipped with G Suite for Education, which allows students to securely access their personal interface and cloud files from any device with the simple login of a Google ID. Plus with Google Classroom, the 500e makes it simple for school administrators to control access and updates on multiple devices.

The Total Learning Tool

Only 2.97lbs and 20.35 mm thin, the 500e is a sleek and efficient educational accessory. With up to 10 hours of battery life*, students can work through an entire school day on one charge. Plus it's equipped with a world-facing camera which can capture photos and videos from any direction, making the 500e full of premium possibilities.
